

Drawcard referral award

We'd like to recognise an individual for referring talented new members to Drawcard Entertainment, so from now until 4.00pm on 16th September 2011, every time a new application for representation is accepted and **you** have been named on the applicant's form as the person who referred the individual or act, you will receive a point!

At close of business on 16 September 2011 we will tally the points and announce the person with the most referral points as the winner!

The winning member must have referred the most new members to be eligible to receive the prize pack, there is no minimum number of new members required. So if you refer the most new members, even if it's only a small number, then you are still eligible to win this fantastic prize, because we appreciate your support.
